AMA Charter #408

PRESIDENT'S MESSAGE

August 2010

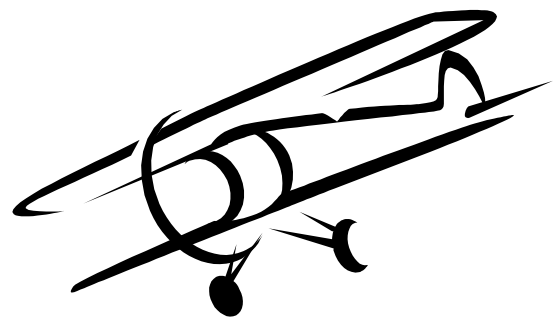

Hello Fellow R/C Pilots,

I trust everyone is having a great flying season and staying safe. Despite the heat it is going well for summer conditions. If anyone missed reading Darrell's story about swamp rescue missions in the last newsletter, I would advise you to check it out. I think Darrell missed his calling. I personally believe there are mysterious forces at work over the swamp that are determined to destroy our fun.

By the way, we will be hosting a fun fly on August 22nd so save the date on your calendar.

See you at the meeting,

Joe Derek

There was a lot to see and do at the AMA District I Huckfest this year

- There will be a Fly-in at Hadley Mass on August 28-29
- Huck-fest in Gardner Mass the last week in July

– Grass is dead

After some discussion it was decided to wait until later in the year to see if it might recover on it's own

Robert (Bobby) Dionne did a Show 'N Tell on his Sig Kobra. He converted it to electric power and added retracts. He says it flies very well – Great job!

There will be a club Fun-Fly on August 22. Darrell Wagner will be CD and Ray Breton will cook – you don't want to miss this one!

Motion was made to close the meeting, and the flying commenced

Set aside Sunday August 22nd for another fun filled day with free food, prizes, surprises and some good laughs.

We have a lot of special events planned, most of which are sheer luck events, so skill level is not the issue, attendance and fun is.

Try your luck with the Dice Roll, Balloon Burst, Limbo, Ball Drop and some new events with prizes galore, grab bags, cheers and jeers, but all in fun.

There will be plenty of free hot dogs, burgers soft drinks and all the fixings.

You'll have to come out just to see Ray cook. Hope you'll keep him so busy I can get the best of him this year!

We're also looking forward to a surprise guest who will put on an exhibition for us.

Hoping to see some of our own pro glider pilots, John Marien and David Beach if there aren't Nationals in the wind. If there are, good luck, guys.

How about some of our veteran members, missing and missed. We need your support and encouragement. Let's see if Bob, Drew, Irv or Roland can show the rest of us how it's done.

Bob Barger put on a great fun fly last year. He brought along his wife and son who were a great help in making the fun fly a success. He's going to be a hard act to follow but we'll give it our best shot.

If anyone would like to bring some sweets or go alongs for the cookout, we'll gladly accept. Some of us have a sweet tooth and some of us will just need a sugar boost to keep up with the activities.

As usual the Katzenjammer kids will be there in their best competitive mode and that just might be part of the entertainment!

We're looking forward to a good turnout, so mark your calendar,

SUNDAY, AUGUST 22ND, 9AM, WAGNER FIELD

Darrell had fun at the Huckfest even if he didn't fly!
